

Declaration of CE Conformity

Manufacturer: Negocios Inteligentes 7 Experience S.L. (V2C)

Address: Av. Camí Nou 268 Xirivella (46950), Valencia, España

Product identification: V2C ALVA (version with integrated protections)

Product type: Conductive electric vehicle charging system

The undersigned declares, on behalf of Negocios Inteligentes 7 Experience S.L., that the products referred to in this document, when correctly installed, maintained and used in accordance with installation standards, the manufacturer's instructions and professional standards, and when properly used and maintained for their intended applications, complying with the regulations and standards applicable in the country of installation, conform to the relevant European Union harmonisation legislation:

Electrical safety

- IEC 61851-1
- EN 61851-1

EMC

- IEC 61851-21-2
- EN 61851-21-2
- EN 61000-6-2
- EN 61000-6-4

RED

- EN 301489-1
- EN 301489-3
- EN 301489-7
- EN 301489-17
- EN 18031-1:2024 - Cybersecurity requirements

This declaration certifies conformity with the specified directives but contains no warranty of properties. Any modification to the specifications of the manufactured product invalidates this declaration. Any modification to this document constitutes intrinsic legal fraud. This product must be installed and maintained by qualified personnel.

Statement on service life and spare parts availability

The manufacturer declares that the estimated service life of the charging stations is 20 years, provided the recommended conditions of use, installation and maintenance are followed. It also guarantees the availability of spare parts and components necessary for the operation, repair and maintenance of the stations for a period of 20 years from the date of manufacture.
